

ALUMNIMEET CENTENARY CELEBRATION - 2024 DEPARTMENT OF CERAMIC ENGINEERING, IIT (BHU), VARANASI - 221005

To commemorate its Centenary Year in 2024, the Department of Ceramic Engineering IIT(BHU) Varanasi is organizing an **International Conference on Frontier in Ceramic Materials (ICFCM 2024)** from 16th - 18th December 2024. This centenary conference provides a unique opportunity for all ceramists, materials scientists, academicians, and industry experts to connect and exchange ideas and knowledge with renowned scientists.

Additionally, the event serves as an outstanding opportunity for our alumni to reconnect and relive their cherished memories. It offers a space where former students can reunite with old friends, reminisce about their shared experiences, and celebrate the achievements and milestones they reached together. This nostalgic journey allows them to reflect on their time at our institution, rekindling the spirit and camaraderie that defined their student years. Through various activities and interactions, alumni can revive the bonds that were formed during their academic journey, making the occasion a truly memorable and joyous reunion.

Schedule

- **Venue:** Swatantrata Bhawan, Banaras Hindu University (BHU), Varanasi
- **Date:** 16th December 2024
- **Registration Fees** (Including 18% GST): ₹ 14,160 (Indian Alumni), USD 300 (Alumni Residing Abroad)

Completing the registration form is mandatory for all alumni. The registration fee covers a registration kit and a Gala dinner. The deadline for registration is 31st October 2024. Additional charges apply for any accompanying person or spouse attending with a delegate: ₹ 9,440 for Indian alumni and USD 200 for alumni residing abroad.
